

The Truth About VBAC

presented by vbacfacts.com

“I would definitely recommend the class to anyone considering a VBAC.”

- Mom with one prior cesarean

“An outstanding class!”

- Labor & delivery RN

“The class gives you information from scientific journals that will help you make the best decision for you and your baby. At the end, you get to decide which set of risks you are willing to accept.”

- Mom with two prior cesareans

“The class opened my husband’s eyes. Even though I’ve been telling him, he needed to hear the research and the numbers. Thank you!!!”

- Mom with two prior cesareans
